

**JULIAN CITY
LOTS SELLING
FAST, NESTOR**

**14 Houses Are Building
On Harbor City
Tract**

T. J. Nestor announces that he has sold \$100,000 worth of property at Julian City on Harbor boulevard in the last two weeks through the holiday season, when several real estate men said he would do nothing during that period. "The best reason we can give for this," said Mr. Nestor, "is the location and the activity on the ground. There are 14 houses under construction at the present time and 15 more contracted for. Most of them are sold before the roofs are on. The great activity in the Torrance and Compton fields and factories will sell or rent these houses faster than they can be built. This is a great opportunity for contractors to build houses. There are hundreds of people leaving Torrance every night, going to Redondo, San Pedro, Wilmington and Los Angeles for living quarters. "Julian City is only two miles from Torrance. Don't overlook this, Mr. Housebuilder. Come out and see a real opportunity. We are grading, putting in water, electricity and gas. Our slogan is 'Keep your eye on Julian City and watch it grow.'"

**EDUCATIONAL
CENTER STILL
IS BOOMING**

Interest in the Mothers' Educational Center has not abated, as was evidenced by the attendance last Friday. Fourteen babies were examined and scored by Mrs. Maude Wilde and Zada Higgins. Those ladies who have worked so hard to further this movement are elated over the fact that the Chamber of Commerce has voted to sponsor the Center. At the next meeting, February 1, the babies will be examined and scored in the morning; in the afternoon Dr. Wilde will give a talk on "The Story of Life." All mothers who have had their babies at any of these meetings are particularly urged to be present at this meeting. It will be worth while. The pictures of the babies who were scored at the first meeting will be shown on the screen, if arrangements can be made to project them in the new music room at the high school.

**E. W. Brumpton Hurt
As Two Cars Crash**

All "bound round" with adhesive tape, Ernest W. Brumpton of Eshelman avenue, Lomita, agent for a Los Angeles daily, is on the job despite bruises received in an accident early Monday morning. In his report to the Torrance police department Mr. Brumpton stated that G. Singleton of Moneta struck his car and overturned it. Mr. Brumpton was pinned beneath his car. The accident occurred at the intersection of Sartori street and Post avenue.

**Mexican Kiddies
Will Appreciate
These Donations**

Nearly three cases of canned fruits and jams were taken Wednesday to the Forsythe Memorial home for Mexican children by Mrs. G. H. Crittenden. These sweets were gathered by the Missionary society of the Community church.

**New Variety Store
To Open Here Soon**

Clarence Earl of San Pedro will be the manager of a new variety store to open in the Edison building on Marcellina avenue in about two weeks. The store is No. 2 of Arnold's Variety Stores, the No. 1 store being located in San Pedro. Mr. Earl expects to meet the needs of the people fully in the large stock to be carried in the new store, which, he says, will be on a par with the best in the variety line in this section.

**Ira Young Is New
Policeman In City**

Ira Young joined the Torrance police force Wednesday night, when he patrolled the business district beat. Mr. Young is from Redondo. The other additional policeman authorized by the board of trustees will go on duty soon. Mr. Young is a former resident of Torrance.

WE LIKE IT HERE, TOO!

Mr. and Mrs. E. F. Carter and Mr. and Mrs. G. M. Grice, of Portola avenue, have returned from a motor trip in the northern part of the state. While away they were guests at the home of Mrs. Carter's brother, C. A. Smith, of Turlock, and of Mr. and Mrs. T. E. Mulon of Fresno. During their ten-day trip they encountered rain, snow, ice, and high winds, and were glad to get back to Torrance.

HOSTESS AT LUNCHEON

Mrs. Willis Brooks of Portola avenue was hostess at a luncheon given Tuesday by the Cosmos club of Los Angeles.
